Daly City Bids Unreluctant Farewell To Year Of 1943

NEWS OF OUR MEN and WOMEN IN UNIFORM

As her Christmas present to the fighting men overseas, SPAR **Martha Irons,** storekeeper third class, 4 Woodrow street, Daly City, has given blood to the Red Cross Plasma bank, according to word just recveived from Norfolk, Virginia, where she is on duty at Coast Guard District headquarters.

More than seventy SPARS joined SPAR Martha Irons at Norfolk in presenting this unique and invaluable gift which may someday save the life of a soldier, sailor, Marine, or Coast Guardsman, fighting on a distant battlefront.

Word has just been received here that Lieutenant **Richard F. Millet,** graduate of Jefferson Union high school and former Daly City resident, has been awarded the Air Medal with three oak leaf clusters and the Distinguished Flying Cross for meritorious achievement. He is in England, where he has been stationed for some time now. He has been with the U. S. Army Air Corps for about 18 months and is the grandson of Mr. and Mrs. C. N. Ludvigsen, 73 Station avenue.

"Christmas at home"—the big objective for most of the boys in the service—was a reality for **Eddie Zugar,** who spent Christmas week with his parents, Mr. and Mrs. Albert Zugar, 421 Vista Grande avenue. Zugar is a fireman first class with the U. S. Navy's Seabees.

He left Daly City, Sunday night, for Camp Holly Day at Gulf Port, Mississippi.

Zugar attended Jefferson Union high school. His visit home was made even more pleasant by the fact that his next-door buddy, Delbert Kelly, who is with the Merchant Marine, was here at the same time.

Firemen Stop Spread Of Flames

Speedy action on the part of Daly City firemen brought under control a fire which might have done wide-spread damage, Christmas night. At 7:02 p. m. an alarm was turned in from Box 16, San Jose avenue and Flournoy street, calling Companies 1, 2, and 4 to the Phelan residence, 3339 San Jose avenue, where flames were breaking through the roof.

For a time the fire threatened to spread to the Tanforan office, 3319 San Jose avenue, but was checked in the walls between the two buildings. Fire Chief Andrew P. Chesney directed the fight to extinguish the fire.

It was nearly two hours later when men and equipment left the scene after making a final check to see that the danger of a new outbreak of fire was past.

At 10:08 p. m. Christmas night a second fire occurred, this one at 363 Crocker avenue, where a Chesterfield caught fire in the home of F. Moore. Companies 1 and 4 responded to the alarm, turned in from Box 41 at Crocker avenue and Winchester street. The firemen made a check to see that no one was in the smoke-filled upper rooms of the house before quitting the scene.

JAN. 8 DEADLINE

January 8 is the new deadline for dealers' applications for ration token requirements, it was announced today by the San Francisco District Office of Price Administration.

Applications are to be submitted by dealers to the banks in which they maintain ration bank-

To Put Up Honor Roll In City Hall

Daly City's Honor Roll plaques were lifted from their packing case, Tuesday of this week, and will soon be hung in the foyer of the city hall, 75 Wellington avenue. Ornamented with two American flags and a golden eagle, the glass-encased boards will bear the names of local men and women serving in the armed forces of the United States. The individual names will be on white plates with gold letters. In the event of a man losing his life in the service of his country a gold star will be added, according to Councilman John J. Fahey sr., in charge of the project to honor Daly City's servicemen and women.

Work is under way this week to compile more names from recent induction lists at the local draft board. These will supplement those already in process. Additions to the list can be made at any time.

Local Stores, Offices Close For New Year's

New Year's Day, Saturday, will find all city offices but the Daly City Police department closed. Banks, offices and most stores will not be open for business, and the local post office and rationing board anticipated hanging up the "closed" signs.

No community New Year's eve events had been announced with the exception of a party for "the boys" at the Daly City Servicemen's club and a midnight show at the Daly City theatre.

Motorists To Get Windshield Stickers

Applications for blue and gold windshield stickers, denoting payment of 1944 automobile registration fees, will be received from motorists beginning Monday, January 3, at offices of the State Department of Motor Vehicles and of the California State Automobile association.

The 1944 fees will be the same as those paid by motorists last year. Charts for determining fees for those whose 1943 registration certificates do not show the amount will be on display at service stations, and at auto club and motor vehicle department offices.

Mailing of application and fees, to save tires, gasoline and car wear, is urged. The 1943 certificate of registration, with correct address shown, constitutes application.

Midnight, February 4, is the deadline for registering motor vehicles. Starting on February 5, a 100 per cent penalty is added to the $3 registration fee and a 50 per cent penalty is added to the license fee.

Draft Board Mails 39 Induction Notices

Daly City Draft Board No. 103 is this week mailing induction notices to the 39 men who will make up the local board's contingent of inductees, Saturday, January 11. The group will have its pre-induction meeting at local headquarters, second floor, city hall, 75 Wellington avenue, Friday, January 10. The next day they report for examination and acceptance by the armed forces.

The work of re-classifying Pre-Pearl Harbor fathers continues.

Mrs. Isabelle Flynn, chief clerk, advises those men who have been designated 4-F for hernia that they will be reclassified as requirements have been changed.

Servicemen's Club Distributes Gifts

The Christmas eve party at the Daly City Servicemen's club, 6201 Mission street, proved a great success, with more than two hundred boys participating in the festive occasion. The public had responded generously to the club's appeal for Yuletide gifts to place under the tree for the men. Not one of the boys was without an attractive gift package. Indeed there were enough to send up to the post for those who had been unable to get off duty for the occasion.

"We want the public to know that we appreciate the simply wonderful cooperation we were given on this party," the committee in charge of the club said. In addition to the presents supplied for them under the Christmas tree, there was a number of invitations for the boys to have dinner at private homes. Funds were also supplied for the boys to call their homes long-distance.

Was there lots to eat at the party? You bet there was! Turkey and tuna fish sandwiches, home-made cakes and cookies, fruit, all of the holiday goodies. Santa Claus was there and the boys sang Christmas carols.

Currently in charge at the club are members of Cypress Circle No. 14, U. A. O. D., while next week hostess group will be Hillcrest Circle No. 143, U. A. O. D.

A New Year's eve party is planned for the club. The committee says that horns, caps, and all the decorations necessary to seeing the old year out with a burst of gaiety are secured for the event.

BACK TO SCHOOL

Students of **Jefferson Union high school** will return to their classes, Monday morning, January 3, after a two weeks vacation. The night school classes will be resumed, Tuesday, January 4, after a Christmas holiday of the same length as the day school. Night school is held every Tuesday and Thursday from 7 to 9 p. m.

The Record Compiles "Headline Parade" Giving Week By Week Review Of Events

The year 1943 will bow off the stage, tomorrow, December 31, with few Daly City residents sorry to have it gone. The advent of 1944 gives occasion for new hope that the war may be culminated and peace established on the earth again.

A resume of the Daly City Record headlines for 1943 indicates clearly that it was a war year, even on the home front, and that anxiety, inconvenience, sacrifice, and tragedy marked its course.

The following tabulation is made by dates of the edition and not the actual date of the individual happening:

January 7—Draft board calls up more men . . . Navy's casualty list includes two local men, Ernest August Bueren, Harvey Lee Kuhn . . . Defense council to plan new tests . . . Daly City gets set for point rationing . . . Commission Juanita Young third officer.

Councilmen Round Up Year's Business

The last meeting of the Daly City Board of Councilmen for 1943, Monday night, December 27, was both brief and uneventful. All members of the council were present: Edmund Cavagnaro, Eugene V. Lynch, Mayor A. J. Gaggero, Howard McHugh, and John J. Fahey sr. City Attorney F. E. Hoffmann and City Clerk B. C. Ross were in attendance, as were Building Inspector Arthur J. Bodien and Health Officer Fred Collins. The Daly City Record reporter was the only person outside the official city family on hand for the session.

Under communications the city heard a letter from the Market Street railway which pledged action on eliminating the hazardous traffic conditions at the top of the hill here, occasioned by the transfer from the No. 14 and No. 40 cars. There was no indication, however, that the steps anticipated would be of an "immediate" nature.

A report on a housing inspection made of property at 219 Los Banos avenue was made. It was indicated that the owner would be expected to make changes recommended by the health department and to submit complete plans for the proposed renovation before a building permit was to be granted for the remodeling.

Under new business the council voted unanimously to accept the bid from the Gilmore Oil company to supply the city's gasoline for the next year. It was the only bid offered as most of the major companies had refused to even submit a bid due to war conditions and shortages. Under the new contract Daly City will pay 15c per gallon for Ethyl and 13c per gal-

Colma Unincorporated District Receives Final Report From County War Chest Executive Secretary Showing Oversubscription of $81.28 Above Allotted Quota

The San Mateo County War Chest committee of Colma unincorporated district received a final report, this week, from the county executive secretary which showed that Colma unincorporated contributions and credits to San Mateo county War Chest amounted to $2,268.28 or $81.28 over the allotted quota. The Women's Division committee of Colma also received a highly commendatory letter from the executive committee thanking them for their "wholehearted and efficient cooperation." Members of this committee were as follows: Mrs. Charles Nicola, Mrs. Dina Rossi, Miss Lily Ciardella, Miss Caroline Migliore, Miss Eleanor Nessier, Miss Bianca Ratto and Mrs. M. Pauline Brown, co-chairman.

In conjunction with the Camp and Hospital department of the American Red Cross, members of the Colma A. W. V. S. unit gave a delightful Christmas Tree supper at the Colma Community center on Dunks street to a group of 28 enlisted men from Tanforan, last week. A Navy truck brought the men to the center at 6:30. Willing hands served them a well prepared roast chicken dinner, with the usual accompanying fare of cranberry sauce, vegetables, salads, homemade cakes, pumpkin pie and coffee.

Music was furnished by an orchestra of three boys, Harold Bocci, Albert Lagomarsino, and George Riccomi, who played remarkably well, during the supper and throughout the evening. An unusual number of the men had splendid voices. They sang at the supper table, and joined in the community sing around the piano with Mrs. Mary Fellman at the keyboard. They sang without accompaniment Christmas Carols with Mrs. Josephine Merlo and Mrs. Judy Shinazy and lustily joined in the choruses of popular songs as they danced. Miss Judy Job gave a gypsy dance in costume and led group dances.

Small Christmas packages were presented to the men. A well stocked Victory kit was also awarded. The committee doesn't remember the name of the boy who drew the lucky number, but they do remember the big smile in his face as he walked out of the center swinging the bag in his hand. A fruit punch was served at 11 p. m. and hot coffee and cake at 1 a. m. At 1:30 the boys started home.

The committee regrets that they cannot give the names of everyone that contributed to the success of this party. They can only give the names of the com-

lon for Gilmore Red Lion gas. These are tank wagon prices. The motion to accept the bid was made by Councilman McHugh.

Bodien, a member of the San Mateo County Planning commission, advised the council that a plan whereby Daly City would get a $75,000 War Memorial building is under consideration by the commission. Veterans groups throughout the county have proposed the project as a lasting tribute to the county's men in the armed forces. There would be several such buildings throughout the county with the largest and most expensive one in the three-cities area down the Peninsula.

Claims were read and Councilman Lynch made a motion that a warrant be drawn on the treasury and the claims be paid.

The meeting was adjourned at 8:55 p. m. Next regular session will be Monday evening, January 10, 1944.

Husband of Local Woman on Sub Duty

Carl H. Walls, 25, torpedoman's mate, first class, son of Mrs. Eva Walls of Donalsonville, Georgia, has returned to the U. S. Submarine base, New London, Connecticut, after completing several war patrols aboard United States submarines in the Pacific.

Walls wife, Helen Marie and their 14 months old son, Carl Melvin, are now residing with Mrs. Ethel Appleton, sister of Mrs. Walls, 432 Bellevue avenue, Daly City.

Enlisting in the Navy in 1937, Walls served aboard a battleship before volunteering for submarine duty in 1938. He has received a commendation for excellence in performance of duty, and is authorized to wear the submarine combat pin with three stars, which is an indication of the important amount of Japanese shipping his submarines have sunk.

Now at New London awaiting assignment to a new submarine, Walls will be a key man in the crew because of his battle experience.

Civilian War Council Meet Jan. 6

The Daly City Civilian War Council will meet Thursday evening, January 6, at the city hall, 75 Wellington avenue, starting at 8 o'clock.

At the meeting Director Arthur Bodien will report on the possibility that Daly City may receive the "M" award for its civilian defense setup for its outstanding performance in the line of duty in the recent plane crash here. The record of the home defenders here was referred to the State Civilian War Council and may be forwarded to Washington.

"Only 150 citations in the entire nation will be awarded, highest possible honor in U. S. Civilian Defense fields," according to Lloyd M. Smith, acting regional director, O. C. D.

As one of the San Francisco dailies expressed it, "Daly City defenders may not get that citation for merit, but at least they get honorable mention and hope for the best!"

"Every dime and dollar not vitally needed for absolute necessities should go into WAR BONDS and STAMPS to add to the striking power of our armed forces." —FRANKLIN D. ROOSEVELT, President of the United States.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

'Home Test' for WAVE Prospects: Ten 'Aye, Aye's' Needed To Pass

WAVE-minded girls, wondering about their eligibility, may give themselves a simple "home examination" and get a good idea of whether they would be acceptable for this branch of the U. S. Navy.

It isn't an infallible or complete test, of course, but if a girl can answer these ten questions affirmatively, she can be reasonably confident the WAVES will be glad to have her:

Can you prove you are a citizen — native-born or naturalized?

Are you between 20 and 36? (If 20, written consent of parents or guardian is necessary.)

Are you single, or married and without children under 18? (Wives of enlisted men are eligible, but not wives of Naval officers from Ensign on up.)

Can you furnish three character references?

Have you attended high school or business school for at least 2 years?

Are you at least 5 feet tall and do you weigh at least 95 pounds, with weight in proportion to general body build?

Can you read with either eye at 6 feet and with both eyes at 12 feet what perfect eyes can read at 20 feet?

Can you hear whispered words at 15 feet?

Are your teeth sound? (Dental replacements are no bar.)

Will your physician give you a statement that you are in good health? (A thorough examination by Navy doctors is given later.)

WAVE aspirants answering "yes" to these questions, or who are in doubt, should write, visit or telephone the Navy Recruiting Station or Office of Naval Officer Procurement. Ask for a copy of the new WAVE booklet giving complete information about pay, ratings, duty, living quarters, etc.

THEIR IDEA OF HEAVEN

"Their idea of Heaven" - - -

The Pittsburgh, Pennsylvania, Press, in a recent issue, "spins a few" about a Flying Fortress crew, home after 51 successful missions—Says the Press, "These boys are home to their own idea of Heaven—a place where Ice cream abounds and flak and fighters are forgotten"—

Their pilot, spending a well-earned leave with his family while awaiting new assignment "is a one-man mission against the ice cream dealers in his home town.

"I like ice cream," his wife declares, "but a quart for breakfast, lunch and dinner every day is getting monotonous. Then in the evening, we usually walk down and get some more. And I can't get him to pass a bakery shop or fruit stand. He just wants to stand there and look at the stuff."

"You bet," her husband broke in, "we used to wonder sometimes, when flak and fighters were thick, if we'd ever get to heaven. Baby, I'm there right now. Let's go get some ice cream!"

And letters from the soldiers mention often their pleasure in a dish of ice cream—a common ice cream soda! And after a leave spent in Palestine, a soldier stationed in Cairo for a year, writes, "Up in Palestine I had my first cone of ice cream since I left the States. It wasn't half as good as the one you had half an hour ago (perhaps), no, but that didn't prevent me from enjoying it as much as you did yours. Maybe that's why I liked Palestine so much."

"Richmonders Say Ice Cream Biggest Treat in North Africa."

The Richmond, Virginia, News Leader carries the above headline, reporting letters from the men at the front. "Next to letters from home," says the Leader, "the biggest treat of all to Richmond officers stationed 'somewhere in North Africa' seems to be ice cream, which is furnished them by the Red Cross."

S., the Red Cross, and Colma Community Center directors for their generous and whole-hearted cooperation. The Christmas supper was planned by the following ladies: Mrs. Pauline Shinazy, chairman; Mrs. Clara Leonetti, Mrs. Giovanina Migliore, and Mrs. Estelle Packwood. Miss Eleanor Nessier was in charge of the punch.

The table favors and Christmas packages were made by the A. W. V. S. juniors under the direction of Mrs. Rose Corral.

Mrs. Leonore Peters Job assisted and planned the greater part of the dance program.

The following young ladies were assistant hostesses: Lillian Ciardella, Angelina Casentini, Lorraine Fulmer, Rena Giusti, Judy Job, Joyce Lemon, Caroline Migliore, Josephine Merlo, La Verne Merlo, Eleanor Nessier, Judy Shinazy, Virginia Troche.

RESOLUTION FOR 1944

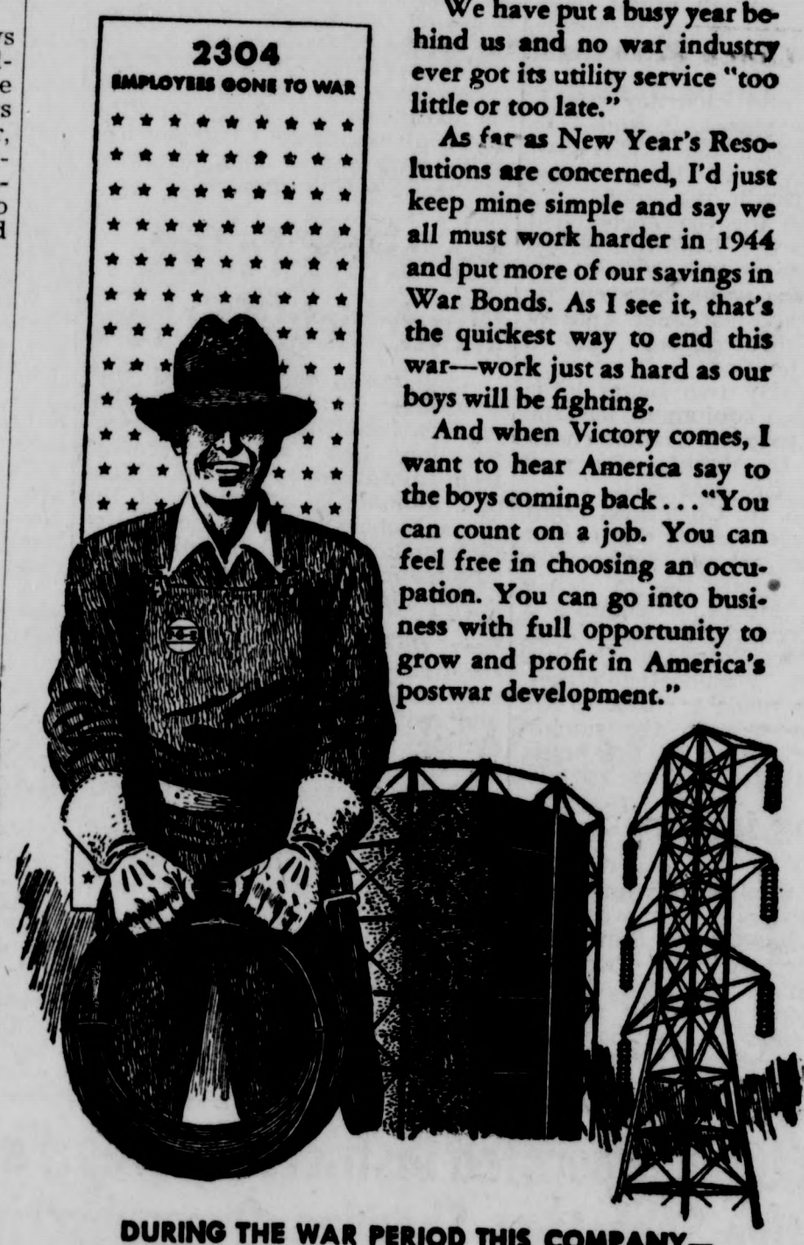
In work like mine, seeing that electric and gas customers get service, you come to know a lot of what's going on in California to win the war. Californians are doing a bang-up, busy job on farm, in factory and in the home.

On thousands of farms electric horsepower is in rush demand helping speed production of vitally needed food. And where industries have multiplied in output, we have supplied added service to meet the requirements of thousands of war workers. We have connected many military camps that already have grown until they now are among California's largest communities.

We have put a busy year behind us and no war industry ever got its utility service "too little or too late."

As far as New Year's Resolutions are concerned, I'd just keep mine simple and say we all must work harder in 1944 and put more of our savings in War Bonds. As I see it, that's the quickest way to end this war—work just as hard as our boys will be fighting.

And when Victory comes, I want to hear America say to the boys coming back . . . "You can count on a job. You can feel free in choosing an occupation. You can go into business with full opportunity to grow and profit in America's postwar development."



DURING THE WAR PERIOD THIS COMPANY—

. . . wished God-speed to 2,300 of our employees who joined the armed forces, assuring them that their jobs are here awaiting their return.

. . . built 3,513 miles of distribution and transmission lines to serve war plants, military camps and defense housing.

. . . connected into service more than 150,900 additional customers.

. . . met the annual war demand for electric power of more than 1,000,000 horsepower.

. . . supplied over 12 billion cubic feet of natural gas.

Health Association Discusses Dangers Attending Influenza Epidemic

Because of the dangers attending an epidemic of influenza such as has swept upon some parts of the country and is being felt in threatening degree throughout California, the San Mateo County Tuberculosis and Health association is taking active measures to provide protection from serious consequences that may be overlooked by the people affected.

The prevailing mild form of the disease may lead to carelessness on the part of those who have it, but the associations officers point out that after the "flu" has gone it may leave damage which will make the person more susceptible to tuberculosis.

Vast numbers of people have recovered from primary tuberculosis, but are subject to breakdown under unfavorable conditions. Influenza is known to show up active tuberculosis after it has destroyed the arrestment that a healthy body has been able to produce.

To combat this tuberculosis danger the county tuberculosis association warns the public to treat influenza as a very serious matter, not as an ordinary cold is usually treated. Among the measures to insure protection, appeals have been made to the teachers in all the schools to diligently watch over the health of the children. Posters have been provided for every class room in the county with the following information:

Do others a good turn when you have a cold.

Cough and sneeze into a handkerchief.

Use paper tissue; dispose in toilet or burn it.

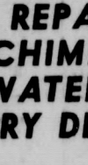
Keep at a distance when you talk with others.

Stay home, go to bed—when you have a fever.

If your cold hangs on see the doctor.

Tuberculosis finds most of its victims among young people, and it is in their behalf that this drive to prevent colds and influenza is being made. Parents are asked to have this in mind and to care for children even mildly ill as diligently as they would if the malady were in its most virulent form.

The present with a future—WAR BONDS for CHRISTMAS. Keep on Backing the Attack.



Certificate of Eviction Not Good For Ouster

The Office of Price Administration explained today that certificates of eviction issued by the agency do not relieve landlords of the necessity for following local laws or ordinances governing eviction of tenants by landlords.

Henry Cross, OPA district rent executive, said that the OPA certificates of eviction were "merely permissive" and allowed the landlord to "proceed according to local law to evict tenants."

Cross stated that in some cases reported to his office the OPA certificates of eviction has been mistaken for actual orders to the tenants to vacate the premises, which, he said, could only be issued by local courts.

WOODROW WILSON

This week marks the eighty-seventh birthday of Woodrow Wilson—December 28, 1856. And already twenty years have gone since he passed away. Yet, his spirit, like some great guiding presence is felt at every international council table where men gather in the interest of a lasting world peace.

Woodrow Wilson's crusade for a world organization to prevent future wars failed in the last generation, but it may succeed in this one. If we had joined the League of Nations we do not know how successful it would have been. We only know that it could not have been more unsuccessful than our attempt to avoid war by staying out of the league.

We know now that we must strive to get along with other countries in some sort of international association. We know now that there is no easy way to "run out" on our obligations as a great world power. Woodrow Wilson saw this. But as far as America was concerned, he saw it too soon.

Wilson predicted the present conflict. He said, in 1919, "I can predict with absolute certainty that within another generation there will be another world war if the nations of the world do not concert the method by which to prevent it. . . It will come while this generation is living, and the children will be sacrificed upon the altar of that war."

The march of the years has proved his prediction uncannily accurate. But his voice did not prevail. It was drowned in the protests of those who opposed his plan because of their personal hatred toward him.

Once he said, "I would rather fail in a cause that some day will triumph than to triumph in a cause that I know some day will fail."

LADIES' DAY

The tidal wave of Christmas shopping has passed over our retail stores, sweeping clean counters and shelves. Weary clerks and proprietors are now coming up for air.

The fact that retailers—both chain and independent—were able to handle the rush as well as they did, was due not only to the extra effort on the part of their regular employees, but also to the cooperation of school departments which permitted students to work during the holiday vacation.

The sales volume drops off with the first of the year, but there is still not enough manpower or "womanpower" to adequately handle even the normal business. A further tightening of the labor market seems likely to follow when the crop planting begins.

Women now serving in the retail industry are doing a splendid job, but there still are not enough of them. In food stores, customers have been surprised to see how quickly the "butcherettes" have learned to carve steaks and cut chops. In meeting civilian needs, these women have availed themselves of good permanent jobs if they wish to keep them, while at the same time doing their part in the war effort.

Our war workers must be clothed and fed, and it is the retailer's job to do it. But he must have help. And he must look to the women for that help since they represent the only source of available labor supply.

Regardless of how much progress our men and our Allies make in the South Pacific, in Italy, in Russia, or in the air over Europe, there's a real job to be done here at home. Ladies, it's up to you! This is your day.

"MEDICINE" FOR JAPAN

In one of the worst-kept secrets of the war Roosevelt, Churchill and Chiang Kai-Shek met in the shadow of the Pyramids and prescribed the "medicine" for Japan and her ambitious war lords when their ultimate defeat is accomplished.

The Roosevelt-Churchill-Chiang prescription might be classed as a "reducing" tonic although it will have the same effect as an amputation on Nippon's bloated growth.

Japan must give up all the Pacific islands she has gained since 1914. These consist chiefly of the Marshalls and Carolines and the Mariana archipelago. China will get back Manchuria and Formosa along with the Pescadero islands which lie between Formosa and the Chinese mainland. Korea is to be made free and independent, and all other territories which the Japs seized shortly before and after the outbreak of the present war will naturally pass from their control.

This will reduce Hirohito's empire from 3 million square miles and 500 million inhabitants to 148,000 square miles and the 75 million population of Japan itself. Thus will vanish the evil dreams of Asiatic or world domination which started in 1894 when the Japs pulled their first "Pearl Harbor" against Russia, and added to their possessions through violence and treachery.

There will be no "face saving" this time. Rather, it will be more like "face lifting"—leaving Japan thinner—and wiser—than before.

Enrollment At Polytechnic Begins January 3

Enrollment in Polytechnic Evening high school, opposite Kezar stadium, begins January 3. Instruction from 7 to 9 p. m. commences on January 5. This does not mean that students may not enroll later: enrollment is welcomed any time during the term, because, with but few exceptions, instruction is individual.

All courses are free.

Red Cross work starts January 10.

Numerous advanced courses in the academic, music, arts and crafts, domestic science, industrial, and commercial curricula are listed. There will be classes in physical education for men and women.

Many women in the war service may wish to enroll in auto mechanics and emergency repairs, home maintenance, map reading, positions platting, and similar war activities.

Commercial courses in Edi- phone practice, in mimeographing and other duplicating devices, in stencil cutting, filing, switchboard operation, and similar office requirements, have been added. With the exception of bookkeeping machines and the Friden, Polytechnic Evening high school is supplied with all makes of calculating machines, electric and hand operated.

A complete course in drafting will be given by a consulting engineer; likewise courses in interior decorating and photography by professionals in their own right.

Text-books are loaned free of charge. The facilities of the school are extended without cost to any adult, whether 18 years of age or 80; all that is asked in return, is conscientious attendance.

The Municipal N cars, or lines 7 and 17 of the Market Street railway, pass the doors of the Polytechnic Evening high school.

OPA To Provide Shoe Ration Stamps For Men

The Office of Price Administration took steps, last week, to insure that persons returned to civilian life from military service will be provided with shoe ration stamps.

Francis Carroll, OPA District director, said that after December 24, 1943, a person discharged from military service was permitted to exchange his Ration Book Three for one that contained shoe stamps.

Carroll explained that the new ruling was designed to cover former service personnel who already had ration books because they had eaten most of their meals at home while in military service. He said that when Book Three was issued to such persons, the airplane shoe stamps, one through four, had been removed, since the Federal government furnished them with shoes.

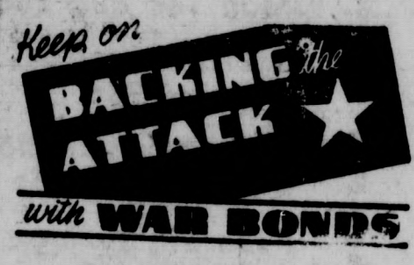
"Application is to be made for the exchange of books through local War Price and Rationing Boards on OPA form R-129," Carroll said. "Discharge papers as well as the applicant's ration book No. 3 must be presented to the boards when application is made," he added.

"New books issued to former service personnel," Carroll cintinued, "will be brought up to date by local boards by removing all expired stamps as well as valid stamps corresponding to any which the applicant may have used in his old book."

Red Cross Reports On Communication

According to the announcement of the Home Service department of the American Red Cross all telegraphic and postal communications between Switzerland and Italy have been disrupted. Therefore, until further notice, no inquiries or messages to civilians in Italy in either the area occupied by the United Nations or in the portion occupied by Germany can be accepted by the American Red Cross. Messages which are still arriving in Washington from Italy had been forwarded to the International Red Cross before the invasion of Italy. When service is again available the public will be immediately informed according to Mrs. Barney Bristow of the Home Service department.

Communications are now possible between individuals in the United States and American Nationals living in Sicily. Messages and inquiries are referred to the Department of State which verifies the citizenship of the person in Sicily as American before sending the message forward. For further information regarding the sending of these communications call at the Home Service department of the American Red Cross, 1308 Howard avenue, Burlingame.



READING & WRITING

BY Edwin Seaver AND Robin McKown

When Emily Brontë's novel "Wuthering Heights" was made into a notable motion picture some years ago, the book sold well over half a million copies in various reprint editions. This sale was phnenomenal, for hitherto "Wuthering Heights" had never been nearly as widely read as "Jane Eyre," written by the author's sister, Charlotte Brontë, which has always been one of the most popular of English classics.

JOAN FONTAINE AS "JANE EYRE"

The forthcoming 20th Century-Fox production of "Jane Eyre" with Joan Fontaine and Orson Welles in the leading roles, will undoubtedly have a similar effect on the sale of the book. Only this time, the reprints seem to be coming out in advance of the picture. Four of them are now in the works.

One of these editions is decidedly not a "quickie" and was, as a matter of fact, planned long before the motion picture. This is the two volume edition of "Jane Eyre" and "Wuthering Heights" with woodcuts by the noted artist Fritz Eichenberg, which the Book-of-the-Month Club is currently distributing to its members as a book-dividend. Wonder what the Brontë sisters would have thought of more than 300,000 copies of their novels being distributed at one time, which is probably what the Club's edition will total!

This story of Lincoln appears in "Long, Long Ago," a collection of the writings of the late Alexander Woollcott. Chief Justice Oliver Wendell Holmes served as a Yankee Colonel in the Civil War. His job, on one occasion, was to pilot President Lincoln around and point out the rebels' defenses. Lincoln stood up to look where he pointed, and since he made an exceptionally good target, at once from the enemy marksmen came a snarl of musketry fire. The young officer quickly dragged him under cover, yelling as he did so, "Get down, you fool." Of course, on second thought he was horrified at thus addressing the Commander-in-Chief. But Lincoln, as he was leaving, commented, "Goodby, Colonel Holmes. I'm glad to see you know how to talk to a civilian."

Launch New WAC Recruiting Program

A new WAC Recruiting program known as "Job and Branch Recruiting," with first assignment for the applicant in her own area, was announced today by Captain Margaret N. Horn, WAC Recruiting officer for the San Francisco district.

According to Captain Horn, the plan is effective at once and continues until March 1, 1944.

Similar to the Army Air Forces Recruiting program, this new plan will be carried out as follows:

Each WAC recruit who elects this program will be assured that her initial assignment after completion of training will be an Army post within the geographic limits of the service command in which she enlisted, unless unforeseen military exigencies prevent. Each recruit will be recommended for initial assignment in an occupational field such as medical, personnel, public relations, physical exercises, photography, drafting, radio operations, gasoline motor and light machinery, general clerical (no typing), typing, teletypewriter operation, chauffeur, baker or cook, supply or stock.

The above offers a splendid opportunity for women who have had training or experience in related civilian occupations. Women who are not engaged in essential industry should apply at once to their nearest WAC Recruiting station. In San Francisco the WAC Recruiting stations are located at 19 Grant avenue and 444 Market street.

Wartime Job Center Checks Up

Most effective means of recruitment for new workers in industry as revealed by check made at the Wartime Job Information center, 166 O'Farrell street, is that of newspaper publicity.

"Read about the information center in the paper," is the explanation given by a majority of the applicants who come to the center seeking jobs, job information, training classes and other questions now in the minds of women who wish to do their part in the war effort.

"This survey as to the source of recruitment has been made at the request of the San Francisco Citizens Committee for Manpower Mobilization," said Mrs. Clara Murray, member of the committee.

Women's organizations which wish to sponsor the effort to recruit women for industry may arrange for speakers through Mrs. Warner Clark, WAlnut 4936.

Mrs. Amy S. Braden, chairman of the sub-committee which devotes its time to surveying the needs of working women, urges that employers make every effort to permit newly employed women a brief time in which to put their domestic affairs in order before reporting for work.

Freedom of CHOICE

WITH ALL THE TALK about Freedoms, what about freedom of choice?

After all, freedom of choice can mean the same thing as all the other freedoms people are talking about—and a few others besides. In large measure, freedom of choice is what this war is about.

Freedom of choice means such ordinary things as trying soy beans in the south field next year, if *you* think it's the thing to do. It means buying the kind of flour *you* think gives you the best biscuits. It means *you and your boy* doing the deciding whether he'll go to college, or learn to be a toolmaker.

Freedom of choice is the soil in which character grows.

This freedom of choice—and its counterpart, a sense of responsibility for the decisions made—has done much to develop the character that is going to win this war—on the battle fronts, on the farm, in industry. And when the victory is won, the kind of America we have fought and worked to preserve must be a country in which every man and woman, and every boy and girl, will have freedom of choice in even greater measure. *General Electric Co., Schenectady, N. WARTIME HOMEMAKER

HOMEMAKERS CAN TAKE A LESSON FROM THE ARMY!

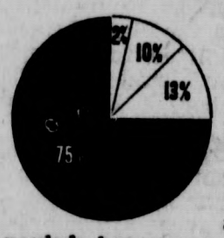
By EDWINA NOLAN
General Electric Consumers Institute

Those in the Army, Navy, Marines, and Coast Guard in control of food, abide rigidly by these rules: All food must be prepared with extreme accuracy for the number of men to be served so that there will be as little left-over prepared food as possible. Unpopular foods are served on fewer occasions. The soldier or sailor is urged to "Take all you want—*but* eat all you take."

This slogan "Take all you want—but eat all you take" is posted in all mess halls. And those boys follow through—they know the value of food as a weapon of war!

Food *can* save millions of lives. But waste and non-production *can* lose these millions of lives, too. In fact, the course of the whole war depends upon how successfully we can produce food, and how willingly we can *save* and *share* it.

Here is how American food is distributed: 75% of the food produced in this country is reserved to supply our needs, the civilian population. Only 13% is used by our armed forces. The food allocated for lend-lease amounts to 10% of our total food supply. The remaining 2% is sent to our possessions.



For the duration of the war, no matter how much food America produces, there will always be *more* needed because as the war progresses there will be an increasing demand for food supplies throughout the world and the demand will continue to exceed the supply.

The demand for many foods already exceeds our supply. So, in order to be fair and to insure even distribution, rationing of these items has been put into effect. Rationing affects you, and you, and me. We share alike and we suffer alike on the hard-to-get and scarce foods. Any violation of the rationing system is in truth an act of sabotage against your own country—it helps Hitler in a great big way.

Are you by any chance an unwitting violator of the rationing system through one of the following?

(a) Accepting rationed foods without giving the proper number of stamps?
(b) Giving away ration stamps you do not use?
(c) Buying rationed foods which you do not need?

If so, you are making it harder for America and the Allies to defeat Hitler.

A single violation of rationing may not seem important, but one begets another. They all help break down the food rationing system which will result in inadequate food for many people (perhaps yourself), locked doors for many stores and a general breakdown in morale.

We've a job to do, Homemakers. Let's not fail in it. Let's cut out all food waste (remember the slogan "Take all you want—but eat what you take"), plan with extreme accuracy, measure all foods with extreme accuracy, use all leftovers with extreme care, save all possible waste fats, and PLAY SQUARE.

By doing these things we will truly be performing our duties on the food front—our part in the "Food Fights For Freedom" war effort.

Glamor Garnish

CHARMING REACTION to the practical efficiency of the day is a fluffy, flattering negligee. The ultimate of feminine daintiness is expressed in the ice blue crepe, trimmed with a face-framing collar of matching ostrich, worn by CBS emcee Mary ("Roma Show") Astor. From an inserted belt, which ties gracefully at the waistline, the bias skirt falls in graceful folds.

Tailored Knit

AMONG THE MULTIPLE VIRTUES of line and beauty which distinguish the knit suit of CBS star Fran ("Big Town") Carlon are long wearability, non-wrinkling quality and a genius for holding shape. Yarns used are wool, cotton, rayon and aralac, each serving a specific purpose Prophetic of the increasing popularity of cardigans, the suit of gray and true blue herringbone pattern is joined in mitered perfection to give soft line to the bound coat edges and upper pockets. Tampala . . . A Tempting Tasty

By BETTY BARCLAY

SOME day soon you will be sitting at a friend's table, or perhaps in a restaurant or hotel dining room, and a new vegetable dish will be placed before you.

It will look something like spinach if the leaves are served, or like asparagus if the stalks are featured — but it will not taste like either spinach or asparagus. It will have a flavor all its own — a new flavor, a delightful flavor, a surprising flavor.

This new vegetable is Tampala. For centuries it has been an important food in India and China. A few years ago a missionary presented seeds to David Burpee of Philadelphia, a man who has devoted his life to developing new and better vegetables. The seeds were planted—all over the country. The leaves and stalks were tested in dozens of diet kitchens. Tampala proved it was an American green eager to take the place of the healthful but often despised spinach.

This year seeds are obtainable. Victory gardeners will be planting a few and surprising their friends in a few weeks when the first picking of leaves is possible. Tampala will soon be on the market, but the wise farmer and Victory gardener will this year have a chance to watch the delighted reaction of their friends when a new vegetable is served, and be able to say, "This is Tampala. How do you like it?"

The young leaves of this new vegetable (to us) may be eaten raw as a salad or cooked as you would spinach. Tampala is so different in flavor to other vegetables used as "greens" that it is difficult to compare it to any of them. It retains its tenderness for a longer time, has a consistency and flavor all its own, less irony and less puckery than spinach, more flavor, more body and more food value than either spinach or chard — a pleasing change from all other "greens". It does well in hot weather and will keep on producing all summer.

Tampala leaves are so tender that they require only five minutes to cook, with only the water that clings to the leaves when washed. Branches 4 to 5 inches in length may be quickly gathered instead of picking individual leaves. These young stem tips and leaves may be cooked together; the larger stems, up to the size of one's little finger, may be separated from the leaves and cooked separately for 8 or 10 minutes as you would cook asparagus. The stems have a taste suggestive of artichokes. Young leaves, cut finely, make a refreshing salad.

Tampala has an unusually long period of usefulness; it will not bolt or go to seed during hot weather. One sowing usually produces enough "greens" for the season. However, for a continuous supply of the most tender leaves, several successive sowings may be made 10 days or 2 weeks apart, letting plants remain where they come up and using entire plants when they become 5 or 6 inches high.

Cookery QUERY CORNER

HOW IS A STEW COOKED?

Brown the Meat

For richer color and more flavor brown the meat on all sides in its own fat or in a small amount of drippings. Season, cover with water, cover kettle, and simmer until tender.

Add Vegetables Later

To prevent over-cooking, add whole carrots and onions about 40 minutes before meat is done. About 15 minutes before serving the stew, add four quarters of a head of cabbage.

Serve Attractively

Arrange steaming hot meat and vegetables in groups on a platter or chop plate. Serve gravy separately.

All-Star Game At Kezar January 1

New Year's Day will bring the nineteenth annual Shrine all-star football game at Kezar stadium, in Golden Gate park, San Francisco. Presented each year for the benefit of the Shriners' Hospital for Crippled Children, the classic on Saturday afternoon, January 1, 1944, promises to fill Kezar to capacity. Outstanding stars from the nation's university elevens will include men in service on the two carefully selected teams. The spectacular pageant by Shrine and other uniformed units will include Waves, Wacs and Women Marines this year.

Tickets are all reserved.

The teams were present at a game rally at the Opera house, December 22.

Extra Midnight Show at Winterland

Special entertainment news for holiday celebrants was contained in the announcement that the spectacular Folies Bergere of 1944, now playing nightly at Winterland, San Francisco, will have extra midnight shows on both New Year's eve and New Year's night.

Starting times of the two special shows will be 12:30 a. m., it was announced. Tickets are now on sale.

Folies Bergere Beauty

Barbara Reid, one of the 80 beautiful girls in Clifford C. Fischer's all-new Folies Bergere of 1944, now playing nightly at Winterland in San Francisco. Cast of the dazzling show numbers 120 and includes many of world's best-known vaudeville, comedy, music and dance stars.

Audiences at the Folies Bergere will find it difficult to keep from dancing at their seats during the fast moving musical extravaganza, the management states.

Some of the most famous stars in vaudeville will dance their way through the gay two-and-one-half hour Clifford C. Fischer production.

Grace Poggi—formerly of the team "Grace and Igor" is dancing alone, while Igor is in the Army. A former Earl Carroll's star she is now on contract at 20th Century Fox, but taking time off to appear in the gay new Folies.

The nimble feet of Carlos Valedez have delighted audiences all over the country, and Rem Olmsted presents his own brand of breath-taking ballet dancing.

Malcia, pert little dancer, will be remembered for her Bird act in the 1939 Folies Bergere on Treasure Island. Dainty Jean Devereaux is famous for exquisite ballet and for her trick toe spins.

In addition to the featured dancers, eighty lovely girls perform in eye-filling musical numbers, ranging from colorful fantasy to gay French comedy.

Irish Groups Ready For New Year's Ball

Winding up the old year's activities among the Irish circles of San Francisco will be the fifty-third annual ball of Company "A" Irish Volunteers, which will be held this year in the Redmans hall, 3053 Sixteenth street (between Valencia and Mission) on Friday night, New Year's Eve.

For the past thirty years this annual event has been held in the K. R. B. hall, but as that building is now leased to the U. S. Army for the duration, the Redmans hall has been selected as the venue. In addition to American dances there will be featured Irish polka sets, jigs, reels and hornpipes to the music of one of San Francisco's popular Irish orchestras.

Every arrangement is being made by the committee, with Captain Sean Waters as chairman, to accommodate a great gathering of Gaels at this annual reunion and celebration of the coming of the New Year.

State Guardsmen Will Demonstrate

Military precision — such as State Guardsmen have learned through months of drill—will be displayed at Kezar stadium on New Year's day when the East-West football game is staged.

Major Leonard A. Worthington has assigned a crack platoon the role of representing the twenty-third regiment at the colorful exercises which will be a part of the day's great Shrine football show. Other State Guard units will participate in the day's festivities.

The drill platoon will be directed by Lieutenant Leonard J. Carl. It will perform close order drill and give the public an opportunity to learn at first hand that the new State Guard volunteer units are a smooth-functioning, military organization. State Guard units are continuously participating in local maneuvers designed to equip them for emergency duty and the close order drill is but one phase of its training program.

ing accounts. Application forms may be secured by retailers from any National Cash Register agency office, headquarters of retail grocers' associations, wholesalers or other trade groups. In San Francisco the Retail Grocer association is located at 525 Market street.

Ration tokens are expected to be in the hands of the trade by the middle of February to be used as change in connection with the food rationing stamps. Approximately a billion of these new red and blue tokens are being manufactured for the program which is aimed to extend the use of ration books and also to save time for dealers in food rationing.

OPA officials advised retailers to adjust their requests to the next highest multiple of 250 tokens in each color since that is the smallest unit of packaging of the tokens for trade purposes.

Every dealer obtaining tokens must be registered under either the meats and fats rationing order or the processed foods rationing order to qualify for allocations. Any of the smaller dealers who do not have ration banking accounts have been advised to take their application form to any local bank.

OBITUARIES

Christina E. Squier

One of Daly City's earliest pioneer residents passed away, the day after Christmas, at her home, 474 Parkview avenue. She was Mrs. Christina E. Squier, wife of the late Eugene Squier, and mother of Miss Gertrude Squier and the late Otto, Ruby, and Raymond Squier. She was the sister of John and George Wiegand. She had lived here for the past 35 years and was aged 80 at the time of her death.

Funeral services were held at W. C. Lasswell and company chapel, Wednesday, December 29, at 2 p. m. with inurnment following at Woodlawn cemetery.

Mrs. Squier was a member of Crocker Chapter No. 382, Order of the Eastern Star.

Etta A. Remington

Mrs. Etta A. Remington, treasurer and past president of Colma P. T. A., passed away, December 21, in San Mateo. Funeral services were held in Daly City at the W. C. Lasswell and company chapel, Friday, December 24, at 1 o'clock. Inurnment was at Olivet Memorial park.

Mrs. Remington, who lived until recently in Colma, was the wife of the late Henry L. Remington; the mother of Frank H., Hugh E. and Phoebe Remington and Mrs. W. A. Fields; the daughter of Frank Burns; the sister of Stanley, Steven, Luther, Robert, and William Burns and Mrs. Alice Otten; the grandmother of Helen Fields.

She was a member of Frederick W. Galbraith auxiliary No. 818, V. F. W.

Pietro Aldera

Funeral services were held, Thursday, December 23 at 9:15 a. m. from Valente, Marini, Perata and company, for Pietro Aldera, who passed away in Daly City, December 20. Requiem high mass was celebrated at Corpus Christi church and interment was at Italian cemetery.

Aldera, who was 71, made his home with his daughter, Mrs. Maria Silvestri, at 270 Acton street. He was a native of Italy. Another daughter, Mrs. Elsie Giraud, also survives.

Automobile Dealers Must File Inventories

Automobile dealers were reminded today by the Office of Price Administration that they are to file with local War Price and Rationing boards inventories of new or used vehicles on hand as of December 31.

This requirement is a part of the OPA's new regulations governing the surrender of gasoline coupons upon the sale of motor vehicles.

Dealers will be given a receipt by the local board for each vehicle listed on inventories. After January 1 no sale or transfer of a vehicle should be made unless this receipt in duplicate is given to the purchaser. In turn the purchaser presents this receipt to the local board when applying for a gasoline ration book.

Daly City is served by War Price and Rationing Board No. 83-12-3, 470 Grand avenue, South San Francisco.

BLOOD DONORS NEEDED

The American Red Cross has announced that 1944 blood requirements for the Army and Navy will total 5,000,000 pints—a million pints more than were needed this year.

This will mean that on an average of 100,000 pints of blood each week must be donated in order to meet these requirements. And these requirements must be met!

If our boys are spilling their blood out there on the battlefield in order to protect us, we should certainly be willing to give a pint of our blood in order to save them. Blood plasma is one of the big reasons why deaths among our wounded soldiers have been kept so low.

In Italy, in the South Pacific—all around the world—blood plasma is a "must" of medical supplies. The more blood we give the more of our boys will come back from "out there."

So don't put it off or leave it for the other fellow to do—this is your war and your responsibility. Contact the local Red Cross chapter or watch for the Red Cross Mobile unit. Give, that others may live!

Julia tells— How New Year's at home can be fun

WHERE to go on New Year's Eve? Why not stay home and entertain some friends? It's fun and practically no trouble—requires few ration stamps, and saves gas and money!

Here are some food suggestions that will help make New Year's Eve, at home, a gala affair:

FOR KITCHEN PARTIES

Pancakes and Syrup
Bacon Curls or Sausage (if available)
Coffee, Tea or Hot Chocolate

To make your butter go further, heat syrup and add 1 to 2 tbsps. butter or margarine per cup. Can use prepared pancake flour for the pancakes.

* * *

Grilled Sandwiches
Pickles Olives Potato Chips
Coffee, Tea, Fruit Punch

Grilled Sandwiches: Spread bread with mayonnaise or salad dressing; spread filling (ideas given below) that is not too juicy on one slice, top with another, then spread outside of sandwich with mayonnaise or salad dressing. Place in moderately hot heavy frying pan and top with heavy plate and brown on one side and then the other, watching closely to prevent burning.

Any one of these fillings will make delicious sandwiches—sliced cheese, cheese spread, cottage cheese and nut or olive, peanut butter (plain or mixed with jam or catsup), minced ripe olives, olive and nut, ham and egg salad, minced fish, chicken or luncheon meats.

* * *

FOR DESSERT PARTIES OR MIDNIGHT SNACK

Baked Cranberry Pudding with Lemon Sauce
Coffee

Baked Cranberry Pudding: Make your favorite one egg cake, add ½ to 1 cup halved raw cranberries to batter. Bake in square pan (8x8x2) and serve warm.

* * *

Hot Homemade Cinnamon Rolls
Coffee, Hot Chocolate or Fruit Juice
Chilled Apples Popcorn

Homemade Cinnamon Rolls: Make biscuit dough (can use biscuit mix) and roll out in rectangle to one-fourth inch thickness; sprinkle with sugar and cinnamon (nutmeg or allspice can be used) and raisins. Roll up jelly roll fashion and slice in ½ inch slices; place on lightly-greased baking sheet and bake in moderately hot oven (425° F.) about 25 minutes or until done and brown. 2-cup flour recipe makes about 12 rolls

FOR A SNACK BAR

Place the food out on table at beginning of evening and let guests help themselves whenever they want to, and eat wherever they please.

Toaster for Making Toast
Bread—Have several kinds or rolls if no toaster is available
Spreads for toast—as jam, peanut butter, ripe sliced olives, cheese spreads, meat, fish or chicken salad
Potato Chips Pickles Olives
Cupcakes Cake or Tarts
Coffee, Fruit Juice, Punch or Chocolate

"Date Conscious"? You'd Better Be - -

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

October 31—shoe stamp 18 (in War Ration Book One) was to have expired but OPA extends expiration date indefinitely.

November 1—Book Three "airplane" series stamp No. 1 became valid; good for one pair of shoes.

November 1—stamp No. 29 in Book Four became good November 1, and will be good for 5 pounds of sugar through January 15, 1944.

November 21—brown stamps L for meats, Book Three, became valid, good through January 1, 1944.

November 22—No. 9 A gasoline coupon became valid, good for three gallons each, until January 21, 1944.

November 28—brown stamps M, Book Three, became valid; remaining good through January 1, 1944.

December 1—green stamps D, E, F in Book Four for processed foods, became good and remain valid through January 20, 1944.

December 5—brown stamps N, Book Three, valid for purchase of meats, fats, etc. on this date.

December 12—brown stamps P for meats, fats, etc., in Book Three could be used beginning this date.

December 19—brown stamps Q became good for purchase of meats, fats, etc.; valid through January 1, 1944.

December 26—brown stamps R became valid for purchase of meats, fats, oils, cheeses, and butter; expire January 29, 1944.

January 1, 1944—brown stamps L, M, N, P, and Q expire.

January 1, 1944—green stamps G, H, and J (Book Four) become valid for purchase of processed foods.

March 20, 1944—brown stamps Y and Z (Book Three) expire.

March 30, 1944—deadline for inspection of tires for A book holders.

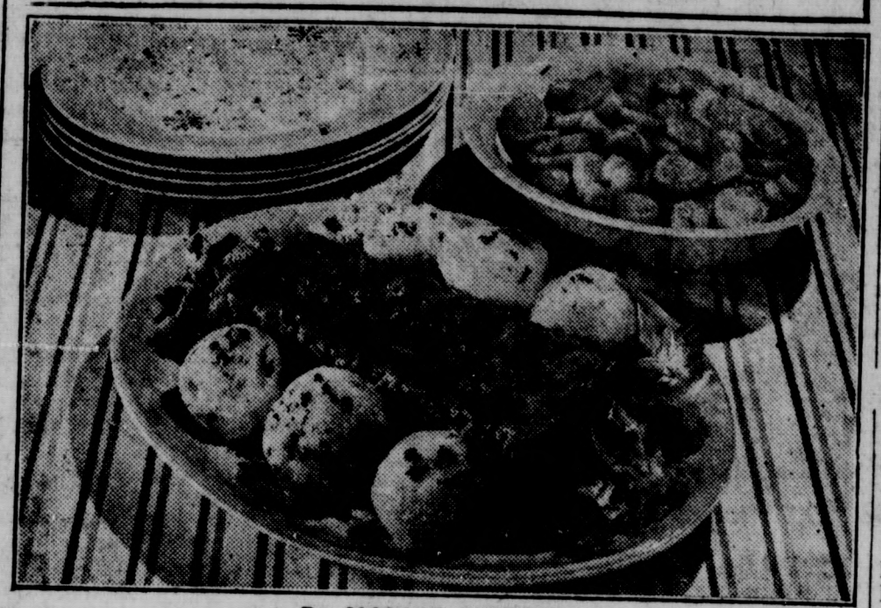
30 DAYS' NOTICE ON STAMP 18

The public will be given 30 days' notice, should it become necessary to terminate Shoe Ration Stamp 18. This announcement was made recently by OPA to "kill" scare-buying rumors that the validity period of Stamp 18 might be cancelled with only 24 hours' notice to consumers.

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two brown points, beginning December 13. "But most important," Herbert M. Faust, director of WPB's Salvage division said, "within a month the fat will be transformed into war materials and on the way to the fighting fronts." He reminded housewives to save the grease from turkeys, geese, ducks, and chickens, for the manufacture of war products.

A Meatless Treat Loaf



By MOLLIE MARTIN

MEAT loaf fans whose ration points disappear faster than the first snowfall, should try some of the many new "treat loaf" recipes that have been developed by housewives and dietitians.

Meat was once our main protein food. Today we are forced to secure a portion of our proteins and carbohydrates from other sources. Cereal, always our standby for breakfast, is now appearing in astounding forms on dinner and supper tables — and these new dishes are surprisingly delightful.

For instance, call upon fortified wheat flakes, the cereal you eat for breakfast to give you pep. Use it in the recipe below and place this "treat loaf" before your family or guests. You'll find that a new meal-time friend has been discovered — one that will be repeated even after peace is once more with us and your old meat loaf dish is again possible.

Peanut-Rice Loaf

- 2 cups chopped peanuts
- 2 cups cooked rice
- 3 cups fortified whole wheat flakes
- 3 tablespoons flour
- 1½ teaspoons salt
- 2 tablespoons melted butter
- ⅛ teaspoon pepper
- 1 cup milk
- 1 egg beaten
- 2 tablespoons finely chopped green pepper
- ½ cup diced celery

Combine peanuts and rice. Roll fortified whole wheat flakes into fine crumbs. Mix cereal crumbs with flour, salt and pepper; add to peanuts and rice and mix well. Stir in milk, egg, green pepper, celery and butter. Pack lightly in a very well greased loaf pan; bake in a moderate oven (375° F.) for one hour. Let loaf stand 5 minutes before turning out of pan. Serve with Brown Sauce.

Yield: 8 servings (5½ x 9¼-inch pan).

Brown Sauce

- 4 tablespoons fat
- 2 tablespoons finely chopped onion
- ½ teaspoon thyme
- 1 bay leaf
- ¼ cup flour
- 1 teaspoon salt
- ¼ teaspoon pepper
- 2 cups meat stock*
- 2 tablespoons chopped parsley (if desired)

Combine fat, onion, thyme and bay leaf and cook over low heat until slightly brown. Stir in flour, salt and pepper and brown well; add stock, stirring constantly until mixture thickens and boils. Strain and stir in parsley. Serve hot over Peanut-Rice Loaf.

Yield: 2 cups sauce.

*Note: Stock may be made by dissolving 2 bouillon cubes in 2 cups boiling water.

Colma P. T. A. will hold its regular monthly business meeting, Tuesday, January 4, at Jefferson annex. Mrs. Fred Lane, president, will open the session at 2 p. m.

Unit members were sorry to hear of the death of Mrs. Dorothy Remington, treasurer and past president of Colma P. T. A.

Pershing P. T. A. Announces Topic

"We pledge patience, persistence, conservation and thrift" will be the topic for the Tuesday, January 4, meeting of General Pershing P. T. A. Mrs. Sophie Evans will preside at the 1:30 p. m. session to be held in Pershing school.

Miss Winifred McGrath's class will give the school demonstration. Committee featured for the day will be the Health committee.

Brownies, Girl Scouts Sing Carols

To bring a festive note into the Yuletide season for those who were ill or aged, girls of Brownie Pack No. 8 and Girl Scout Troop No. 2 went caroling in Daly City, Wednesday evening, December 22. They made it a point to stop to sing before the house of anyone they knew to be a shutin. There were about 35 girls in all, accompanied by their leaders, Mrs. Charlotte Kenny, Mrs. Hazel Marsh, Mrs. Hilda Heagney, Mrs. Ethel Saame, and Mrs. Elsie Hesselein.

Girl Scout Troop No. 2 will hold its regular meeting, tomorrow, December 31, at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues.

No Meeting This Week For Pack 8

Brownie Pack No. 8 will not hold its regular Thursday meeting, this week. Meetings will be resumed, Thursday, January 6, at Grace Church of the Nazarene, 3 p. m.

On Thursday, December 23, the pack enjoyed its Christmas party, which was highlighted by games, delicious refreshments, the singing of carols, and a gift exchange. More than forty Brownies attended the party. Twenty-five mothers were entertained.

The birthdays of two of the pack members were celebrated at the Christmas party: Joan Beecher and Jacqueline Frellson.

Auxiliary To Plan Whist

At the Wednesday night, January 5, meeting of Daly City Unit No. 410, American Legion auxiliary, plans will be made for the monthly whist party scheduled for Friday afternoon, January 7.

The public is cordially invited to attend the January 7 whist and members announce that there will be nice prizes. Playing will begin at 2 p. m. at Legion hall, 474 San Diego avenue.

Stanford To Give Tuition-Free Class

To train radio engineers in special theory and practice, Stanford university will give tuition-free instruction in "Ultra-High-Frequency Techniques" at the American Institute of Banking, 58 Sutter street, San Francisco. The course will begin January 11, at 7:15 p. m.

Planned to survey fundamental principles and equipment applicable to ultra-high-frequency and micro-waves, the course will emphasize new developments of importance in centimeter wave lengths, principles of operation of klystrons, magnetrons and other ultra-high-frequency generators. Rhumbatron resonators, wave guides, principles of parabolic reflectors and horn radiation will also be discussed.

Instructors are William Barclay, and Karl Spangenberg of Stanford.

Other technical evening courses to be given in San Francisco, beginning the week of January 10, are "Industrial Electronics," "Fundamentals of Radio, Part Two," and "Physical Metallurgy."

Further information may be obtained by writing the War Training office, Room 265-A, Engineering building, Stanford university.

Don't Forget That Spare 'Pork' Stamp

"Have you used those five extra points yet? Don't forget that January 1 is the last date to utilize spare stamp No. 1 on the first page of War Ration Book Four for pork," advises Miss Genevieve Blue, chief clerk at War Price and Rationing Board No. 83-12-3.

Miss Blue announced that the board offices, 470 Grand avenue, South San Francisco, would be closed New Year's day.

NOW AT DALY CITY THEATRE

Melody and romance, blended with sensational skating, combine to make "Wintertime," the scintillating new 20th Century-Fox musical, at the Daly City theatre, Sonja Henie's outstanding hit. Woody Herman and his band provide the tunes, while the cast of the film includes Jack Oakie, Cesar Romero and Carole Landis. Easily the top musical of the year, "Wintertime" is setting records wherever it has been shown.

"Wintertime" Now On Local Screen

Set against the background of the snow-capped mountains of Canada, "Wintertime," 20th Century-Fox's new musical starring Sonja Henie, which will start its run at the Daly City theatre tonight, is a tuneful comedy that has plenty of laughs, pretty girls and lilting songs.

In addition to Sonja Henie, the cast includes Jack Oakie, with wise-cracks and advice galore; Cesar Romero, dashing after and away from the women as usual; Carole Landis, lovely and still after her man, and Woody Herman and his famous orchestra.

Snow-covered mountain peaks are a natural habitat for Sonja. In this film she has an opportunity to present several of her elaborate skating routines to her devoted fans. She has a chorus of skaters who make up her regular troupe, to skate with her in this picture.

Featured among the skating routines is a dramatic number known as the Snowbird sequence. There is a chorus of 48 skaters who perform in this number with Sonja. Costumes in the scene are brilliantly interpreted and feature the usual short ballet-skating skirt of net, long sleeves, huge epaulet "wings" on the shoulders, and high headdress of feathers. The costumes are trimmed with shiny paillettes that glitter as the skaters glide across the ice. Large curving feathers trim the shoulders and back to carry out the bird theme.

The girls do their dance on skates to the incomparable rhythms of Woody Herman's orchestra. Included among the songs penned by Leo Robin and Nacio Herb Brown are "Wintertime," "I Like It Here" and "Dancing in the Dawn." The title tune is a standout, while the novelty numbers include "Drums and Dreams" and "I'm All A-Twitter Over You." The best tunes, it is said, in many a moon.

It really is too bad to drive any tire a single mile beyond recap point today. Only a sound, firm casing with something left to grip to, works. To do the job too soon is a waste of good, old-fashioned rubber. Why not leave it to us to tell you when to recap for the best job?

WESTLAKE MARKET

301 Miriam St. RAndolph 9667

Closed Sundays from Noon to 4:30 p. m.
Open Evenings Till 8 p. m.

We're all working just a little harder to bring Victory closer, and make 1944 the final year of war.

And we mustn't allow minor affairs to distract from our all-out effort. That's why Westlake's time- and worry-saving shopping features are important. Let them help you help Uncle Sam!
